

**Dr Anindita Dutta**  
**Asst. Professor,**  
**Department of Humanities (English)**

Dr. Anindita Dutta is an academician, researcher and an author with a teaching experience of nearly 21 years. Teaching is the highlight of Prof. Dutta's career and her teaching aims at heightening students' interest, participation, and motivation within and beyond the classroom. An alumna of Loreto, Prof. Dutta obtained her M.A. in English from Jadavpur University and B.A. Honours in English from the University of Calcutta. She has also obtained her B.Ed degree from the University of Calcutta. Dr Dutta's PhD in ELT (English Language Teaching) focuses on English for Tertiary learners and CPD in Tertiary Education. Prof Dutta has been teaching English, at the Neotia Institute of Technology, Management & Science (formerly ITME) for the last 17 years. She has been teaching *English and Employability Skills* to undergraduate (B.Tech /B.Sc / BBA) and postgraduate (M.Tech/MBA) students for years. As the In-charge of the Humanities Department she had in the past conducted workshops and special training classes for her students. Being an author and a researcher, Prof. Dutta has several academic textbooks published to her credit. Her academic text books have been published by Cambridge University Press and Macmillan. For Pearson publishing, she had the opportunity to prepare teacher resource materials exclusively for school teachers. Her research papers both on English Literature and ELT, are frequently published in peer-reviewed national and international journals. Her research interests include Educational Technology in ELT and British Literature. She had been an ELT resource person for Oxford University Press. Dr Dutta is a Certified British Council trainer and examiner for IELTS (International English Language Testing System) examination, a testing system for higher studies in top-ranking universities across the globe. She had also for years been a certified British Council examiner and trainer for BEC (Business English Certificate) examinations, BEC being a benchmark for bagging a coveted job in the industry.
