

Prof. Sujit Dhar
HOD & Associate Prof.,
EEE Department, NITMAS

SUJIT DHAR received his Bachelor degree in 1996 in Electrical Engineering from Jadavpur University, Kolkata, West Bengal, and he completed his post graduate degree in 1998 in Electronics and Instrumentation Engineering from Calcutta University. Currently, he is a registered Ph.D scholar in Electrical Engineering department at IIT(ISM), Dhanbad and his research area is Power electronics applications of Conventional and Renewable Energy Sources Testing and Diagnosis of Reversible and Quantum Circuit. He is working as a Associate Professor and Head in Electrical and Electronics Engineering (EEE) Department of Neotia Institute of Technology Management and science, Kolkata ,India. He has total experience of 24 years, out of which 17 years in teaching and 7 years industry. He has twenty three journal and conference publications in International and National level. He is reviewer of various national and international journals like IEEE Transaction on Power Electronics, Power System, machine etc. He has published five text books in Electrical and Electronics engineering. His current areas of interest are Power Electronics Applications, Non-conventional Energy, analog and digital Electronics, Electrical machines, Application of High Frequency Converter, Illumination Engineering etc.
